Free color street business card template

October 24, 2002 1 minute feedback expressed by the business partner is their own. Business cards don't hide any good in your desk—they're just useful when they're spreading around. Here are some ideas to get in circulation: just don't hand a card. Make it an exercise to do two hands, then ask the recipient to transfer the extra one to someone other. Give a customer on every call, not just the first one. Ask them to move on to them. Give each person one in a group presentation, not just the decision-making. When you see this possibility, give each reception a card. Each letter, birthday card or thank-you note with two cards in the envelope.
